

Mr. Creston Clarke in "The Last Of His Race," Auditorium, Feb. 15th.

Do You Think?

Some never do.
Some think occasionally.
Some think a little.
Some think a good deal.
Some are made to think when it is too late to do much good.
Some think *Cheap John* pictures are just as good as *Craig's*. They don't think so after the first trial. Such experience is expensive. We had more sittings last year from those who had been deceived by *Cheap John's* than for ten years past. They never have to learn the lesson but once.

MARIETTA DAILY LEADER

SATURDAY, FEB. 12, 1908

THOUSAND DOLLAR FORFEIT

Will Be Demanded By Council From the Home Telephone Company.

The special committee of Council appointed Tuesday evening to investigate the matter of the franchise asked by the Home Telephone Company for a Marietta-Parkersburg Exchange, met at the office of Solicitor Richards Friday evening. The ordinance submitted by the new company was not satisfactory and another on the same lines as the Shurick franchise, which has expired, was prepared. This ordinance will be satisfactory and will be passed by Council when certain conditions have been complied with.

Several similar franchises have been granted in the past, but none of them has so far resulted in the installation of the service promised, though they have been instrumental in securing reduced rates from the Bell Company. To show the Home Company that they must do business if the franchise is granted, a clause will be inserted in the ordinance requiring a thousand dollar forfeiture if the project fails. We are informed by a member of the Committee that unless this guaranty is furnished the franchise will not be granted.

IN BAD CONDITION.

George Terrell, the Would-be Suicide, Mentally Unbalanced.

George Terrell, of Constitution, whose attempt a suicide was chronicled in Friday's Leader, is still in an unfortunate condition, as a result of the dose of laudanum which he swallowed. He is mentally unbalanced and fears are entertained that he may attempt further injury to himself or others. A lunacy affidavit was filed against him Friday and Probate Judge Rood issued a warrant for his arrest. He will be examined in Probate Court and if necessary sent to the Athens State Hospital for treatment. Mr. Terrell has always had the respect and esteem of his acquaintances, and the case is unusually deplorable on account of his large family.

John N. Hiener.

John N. Hiener, senior member of the firm of Hiener & Norman, grocers and meat dealers of the Eighth ward, died at his late home on Lee street, Thursday morning, at 7 o'clock, of cancer of the throat, aged forty-nine years. He had been unable to take any solid food for over three months, his death being really due to exhaustion brought about by insufficient nourishment. The deceased formerly resided in Marietta, but came to this city about six years ago. A sister, Mrs. William Miller, arrived from Marietta, Wednesday evening, and was present when the final summons came. A beloved wife and three children, two sons and a daughter, survive to mourn their irreparable loss. The children are John and William Hiener and Mrs. Charles Dieterly.—Zanesville Times Recorder.

Changed His Plea.

John Anders, a 10-year-old boy of the West Side, was fined five dollars and costs by Judge Jones Friday for throwing a cinder at a nine-year-old boy named Tim O'Donnell, also of the West Side. The trouble occurred about a year ago and the Anders boy pleaded guilty to get the case out of Court. His fine was immediately paid and he was discharged.

Joseph Rampp.

The death of Mr. Joseph Rampp, as the result of a stroke of apoplexy, occurred at eight o'clock Friday morning at his home in Glendale. Mr. Rampp was enjoying his usual health when he arose on Friday and was stricken without warning, death coming in a few hours. Deceased was 75 years of age and leaves a family. The funeral will be held Monday.

Valentine Ball.

A Valentine Ball will be given next Monday evening at Power Hall, under the management of J. M. Mason. It will be opened with a grand march at 8:30 p. m., standard time. A box will be provided into which valentines may be dropped early in the evening and will be opened before the close of the ball.

Fined for Drunkenness.

Gus Kison, of Pittsburgh, who was arrested Thursday night for hilarious conduct in front of the Bellevue Hotel, was arraigned before Mayor Meisenholder Friday and pleaded guilty. He was fined two dollars and costs and will labor for the city until he gets even.

Hosts of Traveling Men.

The hotels of Marietta are all doing a rushing business and last night every room was full. Traveling men generally report business light but prospects good for a healthy pick-up in the spring.

Fined for Gambling.

James Mills was arraigned before the Mayor Friday on the charge of gambling. He pleaded guilty and was fined fifteen dollars and costs.

Jan. 24th.

There is no sadder sight than that of the orphan-child bereft of the loving care of a mother. If women would but learn the vital importance of taking proper care of their health, and of the organs distinctly feminine, the pitiful Sabbath day procession of motherless children that goes to the cemetery to "put flowers on ma-ma's grave" would be materially reduced in numbers. Too many women bring a child into the world at the sacrifice of their own life. This sad tragedy may be avoided by any woman who will resort to the right remedy.

The usual dangers of maternity are banished by the use of Dr. Pierce's Favorite Prescription. It acts directly and only on the important and delicate organs that bear the burdens of motherhood. It makes them healthy and strong, vigorous and elastic. It does away with the discomforts of the expectant period, insures the health of the newborn, and makes its advent free from danger and almost free from pain. Over 90,000 have testified to its virtues. Druggists who offer substitutes are untrustworthy.

Mrs. William Vincent, of Sidway, Houghton Co., Mich., (care Birgland's Camp, Box 11), writes: "When I first began to take your 'Favorite Prescription' four years ago, I was suffering with local weakness and heart trouble. At times I could hardly endure the pain in my sides, quite low down, and had such a pain between my shoulders I could not sleep at night. As time went on the pain moved up my heart. When I would stoop over there was a dull aching just under the heart. My head ached and was continually sore to the touch. I took ten bottles of the 'Favorite Prescription' and one bottle of the 'Golden Medical Discovery.' I can most truly say that as a result I never felt better in my life. I was more like a young girl than a mother of a family. The pain all left me, so I know that your medicines will do all that medicine can do."

A headache is a symptom of constipation. Dr. Pierce's Pleasant Pellets cure constipation, promptly and permanently. They do not gripe. Druggists sell them.
